In addition, custom plants operating in the Iron Ores, Lead and Zinc Ores, Lode Gold and Miscellaneous Metal Ores Industries received \$17.154 thousand for the treatment of concentrates on a custom or toll basis. These receipts are not included in the figures for value of shipments in order to avoid duplication, since the value of the custom concentrates shipped is already included in the value of shipments figures.

Represents man-hours on services such as sinking mine shafts, driving mine tunnels, and drilling.

Represents man-hours on stripping overburden and mining for the account of others.

Represents man-hours on exploration work, including geophysical and other exploratory surveying.

Includes the cost of products bought and resold without further processing.
